NOTICE OF PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE FISCAL YEAR 2027 BUDGETS; NOTICE OF PUBLIC HEARING TO CONSIDER THE IMPOSITION OF OPERATIONS AND MAINTENANCE SPECIAL ASSESSMENTS, ADOPTION OF AN ASSESSMENT ROLL, AND THE LEVY, COLLECTION, AND ENFORCEMENT OF THE SAME; AND NOTICE OF REGULAR BOARD OF SUPERVISORS' MEETING.

Upcoming Public Hearings and Regular Meeting

The Board of Supervisors ("**Board**") for the Trout Creek Community Development District ("**District**") will hold two (2) public hearings and a regular meeting at the following date, time, and location:

DATE:	August 27, 2026
TIME:	6:00 p.m.
LOCATION:	Kayak Club 100 Kayak Way St. Augustine, FL 32092

The first public hearing is being held pursuant to Chapter 190, *Florida Statutes*, to receive public comment and objections on the District's proposed budget ("**Proposed Budget**") for the Fiscal Year beginning October 1, 2026, and ending September 30, 2027 ("**Fiscal Year 2027**"). The second public hearing is being held pursuant to Chapters 190 and 197, *Florida Statutes*, to consider the imposition of operations and maintenance special assessments ("**O&M Assessments**") upon the lands located within the District, to fund the Proposed Budget for Fiscal Year 2027; to consider the adoption of an assessment roll; and to provide for the levy, collection, and enforcement of assessments. At the conclusion of the hearings, the Board will, by resolution, adopt a budget and levy O&M Assessments as finally approved by the Board. A Board meeting of the District will also be held where the Board may consider any other District business.

Description of Assessments

The District imposes O&M Assessments on benefited property within the District for the purpose of funding the District's general administrative, operations, and maintenance budget. A geographic depiction of the property potentially subject to the proposed O&M Assessments is identified in the map attached hereto. The table below shows the schedule of the proposed O&M Assessments, which are subject to change at the hearing:

UNIT TYPE	UNIT COUNT	EQUALIZED ERU	STRATIFIED ERU	PROPOSED O&M
TOWNHOME	779	1.00	0.50	\$1,782.41
SINGLE FAMILY 40'	634	1.00	0.80	\$1,831.27
SINGLE FAMILY 50'	730	1.00	1.00	\$1,863.85
SINGLE FAMILY 60'	401	1.00	1.20	\$1,896.42
SINGLE FAMILY 70'	242	1.00	1.40	\$1,929.00
SINGLE FAMILY 80'	69	1.00	1.60	\$1,961.57
TOTAL	2855			

The proposed O&M Assessments as stated include collection costs and/or early payment discounts, which St. Johns County ("**County**") may impose on assessments that are collected on the County tax bill. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the "maximum rate" authorized by law for O&M Assessments, such that no assessment hearing shall be held or notice provided in future years unless the assessments are proposed to be increased or another criterion within Section 197.3632(4), *Florida Statutes*, is met. Note that the O&M Assessments do not include any debt service assessments previously levied by the District that are due to be collected for Fiscal Year 2027.

For Fiscal Year 2027, the District intends to have the County tax collector collect the assessments imposed on certain developed property. It is important to pay your assessment because failure to pay will cause a tax certificate to be issued against the property, which may result in loss of title, or for direct-billed assessments, may result in a foreclosure action, which also may result in a loss of title. The District's decision to collect assessments on the tax roll or by direct billing does not preclude the District from later electing to collect those or other assessments in a different manner at a future time.

Additional Provisions

The public hearings and meeting are open to the public and will be conducted in accordance with the provisions of Florida law. A copy of the Proposed Budget, proposed assessment roll, and the agenda for the hearings and meeting may be obtained at the offices of the District Manager, located at FCS Management Group/Vesta District Services, 250 International Parkway, Suite 208, Lake Mary, FL 32746 ("**District Manager's Office**"), during normal business hours. The public hearings and meeting may be continued to a date, time, and place to be specified on the record at the hearings or meeting. There may be occasions when staff or Board members participate by speaker telephone.

Any person requiring special accommodations at this meeting because of a disability or physical impairment should contact the District Manager's Office at least three (3) business days prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service by dialing 7-1-1, or 1-800-955-8771 (TTY) / 1-800-955-8770 (Voice), for aid in contacting the District Manager's Office.

Please note that all affected property owners have the right to appear at the public hearings and meeting and may also file written objections with the District Manager's Office within twenty (20) days of publication of this notice. Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearings or meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

RESOLUTION 2026-19

THE ANNUAL APPROPRIATION RESOLUTION OF THE TROUT CREEK COMMUNITY DEVELOPMENT DISTRICT RELATING TO THE ANNUAL APPROPRIATIONS AND ADOPTING THE BUDGET FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2026, AND ENDING SEPTEMBER 30, 2027; AUTHORIZING BUDGET AMENDMENTS; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the District Manager has, prior to the June 15, 2026, submitted to the Board of Supervisors (“**Board**”) of the Trout Creek Community Development District (“**District**”) proposed budgets (“**Proposed Budgets**”) for the fiscal year beginning October 1, 2026 and ending September 30, 2027 (“**Fiscal Year 2027**”) along with an explanatory and complete financial plan for each fund of the District, pursuant to the provisions of Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, at least sixty (60) days prior to the adoption of the Proposed Budgets, the District filed a copy of the Proposed Budgets with the local governing authorities having jurisdiction over the area included in the District pursuant to the provisions of Section 190.008(2)(b), *Florida Statutes*; and

WHEREAS, the Board set a public hearing thereon and caused notice of such public hearing to be given by publication pursuant to Section 190.008(2)(a), *Florida Statutes*; and

WHEREAS, the District Manager posted the Proposed Budgets on the District’s website at least two days before the public hearing; and

WHEREAS, Section 190.008(2)(a), *Florida Statutes*, requires that, prior to October 1st of each year, the Board, by passage of the Annual Appropriation Resolution, shall adopt a budget for the ensuing fiscal year and appropriate such sums of money as the Board deems necessary to defray all expenditures of the District during the ensuing fiscal year; and

WHEREAS, the District Manager has prepared the Proposed Budgets, whereby the budgets shall project the cash receipts and disbursements anticipated during a given time period, including reserves for contingencies for emergency or other unanticipated expenditures during the fiscal year; and

WHEREAS, the Board held the duly noticed public hearing on the Proposed Budgets on August 27, 2026.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE TROUT CREEK COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BUDGET

- a. The Board has reviewed the Proposed Budgets, a copy of which is on file with the office of the District Manager and at the District’s Local Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.

- b. The Proposed Budgets, attached hereto as **Exhibit A**, as amended by the Board, are hereby adopted in accordance with the provisions of Section 190.008(2)(a), *Florida Statutes* (“**Adopted Budgets**”), and incorporated herein by reference; provided, however, that the comparative figures contained in the Adopted Budgets may be subsequently revised as deemed necessary by the District Manager to reflect actual revenues and expenditures.
- c. The Adopted Budgets, as amended, shall be maintained in the office of the District Manager and at the District’s Local Records Office and identified as “The Budgets for the Trout Creek Community Development District for the Fiscal Year Ending September 30, 2027.”
- d. The Adopted Budgets shall be posted by the District Manager on the District’s official website within thirty (30) days after adoption, and shall remain on the website for at least 2 years.

SECTION 2. APPROPRIATIONS

There is hereby appropriated out of the revenues of the District, for Fiscal Year 2027, the sum of **\$7,822,332** to be raised by the levy of assessments and/or otherwise, which sum is deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND	<u>\$4,575,668</u>
TOTAL CAPITAL RESERVE FUND	<u>\$791,371</u>
DEBT SERVICE FUND - SERIES 2018	<u>\$814,281</u>
DEBT SERVICE FUND – SERIES 2020	<u>\$239,100</u>
DEBT SERVICE FUND – SERIES 2022	<u>\$210,638</u>
DEBT SERVICE FUND – SERIES 2025	<u>\$1,191,274</u>
TOTAL ALL FUNDS	<u>\$7,822,332</u>

SECTION 3. BUDGET AMENDMENTS

Pursuant to Section 189.016, *Florida Statutes*, the District at any time within Fiscal Year 2027 or within sixty (60) days following the end of the Fiscal Year 2027 may amend its Adopted Budget for that fiscal year as follows:

- a. A line-item appropriation for expenditures within a fund may be decreased or increased by motion of the Board recorded in the minutes, and approving the expenditure, if the total appropriations of the fund do not increase.

- b. The District Manager or Treasurer may approve an expenditure that would increase or decrease a line-item appropriation for expenditures within a fund if the total appropriations of the fund do not increase and if either (i) the aggregate change in the original appropriation item does not exceed the greater of \$15,000 or 15% of the original appropriation, or (ii) such expenditure is authorized by separate disbursement or spending resolution.
- c. Any other budget amendments shall be adopted by resolution and consistent with Florida law.

The District Manager or Treasurer must ensure that any amendments to the budget under paragraph c. above are posted on the District's website within five (5) days after adoption and remain on the website for at least two (2) years.

SECTION 4. EFFECTIVE DATE. This Resolution shall take effect immediately upon adoption.

PASSED AND ADOPTED THIS 27TH DAY OF AUGUST, 2026.

RESOLUTION 2026-20

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TROUT CREEK COMMUNITY DEVELOPMENT DISTRICT MAKING A DETERMINATION OF BENEFIT AND IMPOSING SPECIAL ASSESSMENTS FOR FISCAL YEAR 2027; PROVIDING FOR THE COLLECTION AND ENFORCEMENT OF SPECIAL ASSESSMENTS; CERTIFYING AN ASSESSMENT ROLL; PROVIDING FOR AMENDMENTS TO THE ASSESSMENT ROLL; PROVIDING A SEVERABILITY CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the Trout Creek Community Development District (“**District**”) is a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes, for the purpose of providing, operating and maintaining infrastructure improvements, facilities and services to the lands within the District; and

WHEREAS, the District is located in St. Johns County, Florida (“**County**”); and

WHEREAS, the District has constructed or acquired various infrastructure improvements and provides certain services in accordance with the District’s adopted capital improvement plan and Chapter 190, Florida Statutes; and

WHEREAS, the Board of Supervisors (“**Board**”) of the District hereby determines to undertake various operations and maintenance and other activities described in the District’s budget (“**Adopted Budget**”) for the fiscal year beginning October 1, 2026, and ending September 30, 2027 (“**Fiscal Year 2027**”), attached hereto as **Exhibit A** and incorporated by reference herein; and

WHEREAS, the District must obtain sufficient funds to provide for the operation and maintenance of the services and facilities provided by the District as described in the Adopted Budget; and

WHEREAS, the provision of such services, facilities, and operations is a benefit to lands within the District; and

WHEREAS, Chapter 190, Florida Statutes, provides that the District may impose special assessments on benefitted lands within the District; and

WHEREAS, it is in the best interests of the District to proceed with the imposition of the special assessments for operations and maintenance in the amount set forth in the Adopted Budget; and

WHEREAS, the District has previously levied an assessment for debt service, which the District desires to collect for Fiscal Year 2027; and

WHEREAS, Chapter 197, Florida Statutes, provides a mechanism pursuant to which such special assessments may be placed on the tax roll and collected by the local tax collector (“**Uniform Method**”), and the District has previously authorized the use of the Uniform Method by, among other things, entering into agreements with the Property Appraiser and Tax Collector of the County for that purpose; and

WHEREAS, it is in the best interests of the District to adopt the Assessment Roll of the Trout Creek Community Development District (“**Assessment Roll**”) attached to this Resolution as **Exhibit B** and incorporated as a material part of this Resolution by this reference, and to certify the Assessment Roll to the County Tax Collector pursuant to the Uniform Method; and

WHEREAS, it is in the best interests of the District to permit the District Manager to amend the Assessment Roll, certified to the County Tax Collector by this Resolution, as the Property Appraiser updates the property roll for the County, for such time as authorized by Florida law.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD
OF SUPERVISORS OF THE TROUT CREEK COMMUNITY
DEVELOPMENT DISTRICT:**

SECTION 1. BENEFIT & ALLOCATION FINDINGS. The Board hereby finds and determines that the provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefited lands, as shown in **Exhibits A and B**, is hereby found to be fair and reasonable.

SECTION 2. ASSESSMENT IMPOSITION. Pursuant to Chapters 190 and 197, Florida Statutes, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operations and maintenance is hereby imposed and levied on benefitted lands within the District, and in accordance with **Exhibits A and B**. The collection of previously levied debt service assessments, as set forth in Exhibits A and B, is also hereby authorized and confirmed for Fiscal Year 2027. The lien of the special assessments for operations and maintenance imposed and levied by this Resolution shall be effective upon passage of this Resolution. Moreover, pursuant to Section 197.3632(4), *Florida Statutes*, the lien amount shall serve as the “maximum rate” authorized by law for operations and maintenance assessments, unless and until adjusted by a subsequent resolution of the Board adopted in accordance with applicable law.

SECTION 3. COLLECTION. The collection of the operation and maintenance special assessments and previously levied debt service assessments shall be at the same time and in the same manner as County taxes in accordance with the Uniform Method, as indicated on **Exhibits A and B**. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

SECTION 4. ASSESSMENT ROLL. The Assessment Roll, attached to this Resolution as **Exhibit B**, is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. The proceeds therefrom shall be paid to the District.

SECTION 5. ASSESSMENT ROLL AMENDMENT. The District Manager shall keep apprised of all updates made to the County property roll by the Property Appraiser after the date of this Resolution and shall amend the Assessment Roll in accordance with any such updates to the County property roll, for such time as authorized by Florida law. After any amendment of the Assessment Roll, the District Manager shall file the updates in the District records.

SECTION 6. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect upon the passage and adoption of this Resolution by the Board.

RESOLUTION 2026-21

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE TROUT CREEK COMMUNITY DEVELOPMENT DISTRICT REALLOCATING THE SPECIAL ASSESSMENTS SECURING THE DISTRICT'S CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2018, IN ORDER TO IMPOSE SUCH ASSESSMENTS ON NEWLY PLATTED AND BENEFITTED PROPERTY; APPROVING A SUPPLEMENTAL SPECIAL ASSESSMENT ALLOCATION REPORT; MAKING CERTAIN FINDINGS; CONFIRMING THE LIEN OF THE REALLOCATED ASSESSMENTS; PROVIDING FOR A SUPPLEMENT TO THE IMPROVEMENT LIEN BOOK; AUTHORIZING UPDATES TO THE ASSESSMENT ROLL AND THE RECORDING OF A NOTICE; AND PROVIDING FOR CONFLICTS, SEVERABILITY, AND AN EFFECTIVE DATE.

WHEREAS, the Trout Creek Community Development District (the "**District**") is a local unit of special-purpose government created and existing pursuant to Chapter 190, *Florida Statutes*, established effective October 28, 2014, pursuant to St. Johns County Ordinance No. 2014-44, and situated entirely within St. Johns County, Florida; and

WHEREAS, the District has previously determined to undertake, install, establish, construct, or acquire certain public infrastructure improvements (the "**Capital Improvement Plan**" or "**CIP**"), a portion of which is more particularly described in that certain *Supplemental Engineer's Report Series 2018 Bond*, dated June 11, 2018, prepared by the District Engineer (the "**Supplemental Engineer's Report**" and the project therein described, the "**Series 2018 Project**"), and the District has evidenced its intent to defray the cost of such improvements through the levy and collection of special assessments against property within the District benefitted thereby; and

WHEREAS, on December 17, 2014, the District, after due notice and public hearing, adopted Resolution 2015-30, which equalized, approved, confirmed, and levied special assessments on property benefitting from the improvements authorized by the District, and approved that certain *Master Special Assessment Allocation Report*, dated December 17, 2014 (the "**Master Report**"); and

WHEREAS, on June 28, 2018, the District entered into a Bond Purchase Agreement whereby it agreed to sell its \$12,100,000 Trout Creek Community Development District (St. Johns County, Florida) Capital Improvement Revenue Bonds, Series 2018 (the "**Series 2018 Bonds**"), to finance a portion of the Series 2018 Project, the repayment of which is secured by special assessments levied against benefitted property within the District (the "**Series 2018 Assessments**"); and

WHEREAS, on July 5, 2018, the District adopted Resolution 2018-08, which, among other things, set forth the terms of the Series 2018 Bonds, confirmed the maximum assessment lien securing the Series 2018 Bonds, levied and allocated the Series 2018 Assessments, and approved that certain *Final Supplemental Special Assessment Allocation Report, Capital*

Improvement Revenue Bonds, Series 2018, dated June 28, 2018 (the “**Supplemental Assessment Report**”, and together with the Master Report, the “**Assessment Methodology**”); and

WHEREAS, Section 4(b) of Resolution 2018-08 provides that “[t]he lien of the special assessments securing the Series 2018 Bonds includes all developable acreage within the District (as the District's boundaries may be adjusted pursuant to law), and as such land is ultimately defined and set forth in site plans or other designations of developable acreage,” and further provides that “[t]o the extent that land is added to the District, the District may, by supplemental resolution at a regularly noticed meeting and without the need for public hearing, determine such land to be benefitted by the Series 2018 Project and reallocate the special assessments securing the Series 2018 Bonds in order to impose special assessments on the newly added and benefitted property”; and

WHEREAS, the Supplemental Assessment Report likewise provides that, “[i]n the event that developable lands that derive benefit from the CIP are added to the District boundaries, whether by boundary amendment or increase in density, Series 2018 Assessments will be allocated to such lands, pursuant to the methodology described herein”; and

WHEREAS, the Series 2018 Bonds and the Series 2018 Assessments were originally sized based on the expectation that the Series 2018 Assessments would be fully absorbed by the seven hundred ninety-four (794) planned Platted Units shown on Table 5 of the Supplemental Assessment Report, and the Series 2018 Assessments are levied on Unplatted Parcels on an equal assessment per-acre basis until such parcels are platted; and

WHEREAS, since the issuance of the Series 2018 Bonds, the number and mix of planned and platted units have changed from those reflected in the original allocation of the Series 2018 Assessments, including the platting of seventy-three (73) additional Single Family 40’ lots within Phase 3J of the District, commonly referred to as the “Dream Finders” lots and more particularly described as the lots within the plat of Shearwater Phase 3J recorded in Plat Book 131, Pages 80-86 of the Official Records of St. Johns County, Florida (the “**Phase 3J Lots**”); and

WHEREAS, as a result of the foregoing, the Series 2018 Assessments are allocated among the eight hundred forty-two (842) Platted Units reflected in the District’s Fiscal Year 2025-2026 assessment roll and, upon inclusion of the Phase 3J Lots, are proposed to be allocated among nine hundred fifteen (915) Platted Units for Fiscal Year 2026-2027, and a reallocation of the Series 2018 Assessments among such Platted Units is appropriate to maintain a fair and reasonable allocation of the Series 2018 Assessments consistent with the Assessment Methodology; and

WHEREAS, the District’s methodology consultant, Vesta District Services, has prepared that certain *Supplemental Special Assessment Allocation Report*, dated August 27, 2026 (the “**Amended 2018 Allocation Report**”), which reallocates the Series 2018 Assessments among the benefitted Platted Units, including the Phase 3J Lots, consistent with the Assessment Methodology, a copy of which is attached hereto as **Exhibit A**; and

WHEREAS, based on the determinations of the District’s methodology consultant set forth in the Amended 2018 Allocation Report, the Phase 3J Lots will receive a special benefit from the Series 2018 Project commensurate with the Series 2018 Assessments reallocated thereto; and

WHEREAS, the District finds that the reallocation of the Series 2018 Assessments described herein is necessary and appropriate to ensure the Series 2018 Assessments are fairly and reasonably allocated as set forth in the Assessment Methodology, and that such reallocation may be accomplished, pursuant to Section 4(b) of Resolution 2018-08, by supplemental resolution adopted at a regularly noticed meeting and without the need for public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE TROUT CREEK COMMUNITY DEVELOPMENT DISTRICT AS FOLLOWS:

1. **RECITALS.** The recitals stated above are true and correct, are incorporated herein by reference, and are adopted by the Board of Supervisors (the “**Board**”) as findings of the District.
2. **AUTHORITY.** This Resolution is adopted pursuant to the provisions of Florida law, including without limitation Chapters 170 and 190, *Florida Statutes*, Resolution 2015-30, and Resolution 2018-08, including Section 4(b) thereof.
3. **APPROVAL OF AMENDED 2018 ALLOCATION REPORT.** The Amended 2018 Allocation Report, attached hereto as **Exhibit A**, is hereby approved, adopted, and confirmed, and the District ratifies its use in connection with the reallocation of the Series 2018 Assessments. The Board finds that the reallocation of the Series 2018 Assessments set forth in the Amended 2018 Allocation Report is fair and reasonable, reflects the special benefit conferred on the benefitted Platted Units by the Series 2018 Project, and is undertaken consistent with the reallocation authority set forth in Resolution 2018-08.
4. **REALLOCATION OF DEBT; FINDINGS.** Based on the determinations of the District’s methodology consultant set forth in the Amended 2018 Allocation Report, the Board hereby finds and determines that the Phase 3J Lots are specially benefitted by the Series 2018 Project in an amount commensurate with the Series 2018 Assessments reallocated thereto. The Board hereby reallocates the Series 2018 Assessments among the benefitted Platted Units, including the Phase 3J Lots, in accordance with the Assessment Methodology and the Amended 2018 Allocation Report, in order to impose Series 2018 Assessments on the newly platted and benefitted property and to adjust the allocation of the Series 2018 Assessments among the other benefitted Platted Units accordingly; provided, that the Series 2018 Assessments reallocated to any previously assessed Platted Unit shall not exceed the Series 2018 Assessments previously allocated to such Platted Unit. This action is taken pursuant to Section 4(b) of Resolution 2018-08 at a regularly noticed meeting and without the need for public hearing. The District Manager is authorized and directed to update the District’s assessment roll to reflect the reallocation of the Series 2018 Assessments described herein.
5. **CONFIRMATION OF LIEN.** Upon the reallocation of the Series 2018 Assessments as provided herein, the special assessment or assessments against each respective parcel, including the Phase 3J Lots, shall be and shall remain a legal, valid, and binding first lien on such parcels until paid, and such lien shall be coequal with the lien of all state, county,

district, municipal, or other governmental taxes and superior in dignity to all other liens, titles, and claims.

6. **SUPPLEMENT TO IMPROVEMENT LIEN BOOK; ASSESSMENT NOTICE.** The lien of the Series 2018 Assessments encumbers all developable acreage within the District, including the Phase 3J Lots, as provided in Resolution 2018-08, and such lien is evidenced of record by that certain *Notice of Series 2018 Special Assessments Securing the Series 2018 Bonds* recorded in the Official Records of St. Johns County, Florida, at Official Records Book 4585, Page 560 (the “**Series 2018 Assessment Notice**”). Immediately following the adoption of this Resolution, the special assessments as reallocated herein shall be recorded by the Secretary of the Board in the District's Improvement Lien Book, and the District's Secretary is further directed to record a supplemental notice to the Series 2018 Assessment Notice, in the Official Records of St. Johns County, Florida evidencing the reallocation of the Series 2018 Assessments described herein and the imposition of Series 2018 Assessments on the Phase 3J Lots. The District Manager and District Counsel are authorized to prepare, execute, and record any instruments necessary to evidence and perfect the lien of the Series 2018 Assessments as reallocated herein.
7. **FUTURE REALLOCATION.** To the extent additional lands within the District are platted, re-platted, or otherwise subdivided into Platted Units, or developable lands are added to the District by boundary amendment or increase in density, the District Manager shall prepare or cause to be prepared an updated assessment allocation report consistent with the Assessment Methodology, and the Board may adopt a further supplemental resolution to reallocate the Series 2018 Assessments accordingly, in each case pursuant to Section 4(b) of Resolution 2018-08.
8. **ASSESSMENT RESOLUTIONS REMAIN IN EFFECT.** This Resolution is intended to supplement Resolution 2015-30 and Resolution 2018-08, and all other resolutions relating to the District's levy of special assessments on lands within the boundaries of the District benefitting from the Capital Improvement Plan, each of which remains in full force and effect except to the extent expressly provided herein.
9. **CONFLICTS.** All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.
10. **SEVERABILITY.** The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining provisions of this Resolution, or any part thereof.
11. **EFFECTIVE DATE.** This Resolution shall take effect immediately upon its adoption.

PASSED AND ADOPTED THIS 27th DAY OF AUGUST, 2026.

I. INTRODUCTION

This Supplemental Special Assessment Allocation Report (this "Supplemental Report") is prepared for the Trout Creek Community Development District (the "District"), a local unit of special-purpose government established pursuant to Chapter 190, Florida Statutes. It supplements, and should be read together with, the District's Master Special Assessment Allocation Report dated December 17, 2014 (the "Master Report") and the Final Supplemental Special Assessment Allocation Report, Capital Improvement Revenue Bonds, Series 2018, dated June 28, 2018 (the "Series 2018 Report," and together with the Master Report, the "Assessment Methodology").

The purpose of this Supplemental Report is to reallocate the special assessments securing the District's \$12,100,000 Capital Improvement Revenue Bonds, Series 2018 (the "Series 2018 Bonds," and the assessments securing them, the "Series 2018 Assessments") among the Platted Units currently on the District's direct bill, including seventy-three (73) newly platted Single Family 40' lots within Shearwater Phase 3J (the "Phase 3J Lots"), consistent with the Assessment Methodology. Except as supplemented and reallocated herein, the Assessment Methodology remains in full force and effect.

II. DEFINED TERMS

Capitalized terms used but not defined in this Supplemental Report have the meanings given in the Series 2018 Report and the Master Report. As used herein:

"Assessment Methodology" – collectively, the Master Report and the Series 2018 Report.

"EAU" – or "Equivalent Assessment Unit," the allocation factor used in the Master Report that reflects a quantitative measure of the amount of special benefit conferred by the District's CIP on a particular land use, relative to other land uses.

"Phase 3J Lots" – the seventy-three (73) Single Family 40' lots within the plat of Shearwater Phase 3J recorded in Plat Book 131, Pages 80–86, of the Official Records of St. Johns County, Florida.

"Platted Units" – residential lots configured into their intended end-use and subject to a recorded plat.

"Series 2018 Report" – the Final Supplemental Special Assessment Allocation Report, Capital Improvement Revenue Bonds, Series 2018, dated June 28, 2018.

III. BACKGROUND

On July 5, 2018, the District adopted Resolution 2018-08, which set forth the terms of the Series 2018 Bonds, confirmed the maximum assessment lien securing the Series 2018 Bonds, levied and allocated the Series 2018 Assessments, and approved the Series 2018 Report. The Series 2018 Bonds were issued in the aggregate principal amount of \$12,100,000, with a final maturity of May 1, 2049 and maximum annual debt service of \$819,509, and the Series 2018 Assessments were levied in the corresponding principal amount. (Series 2018 Report, Tables 3–4.)

The Series 2018 Bonds and Series 2018 Assessments were originally sized based on the expectation that the Series 2018 Assessments would be fully absorbed by the seven hundred ninety-four (794) planned Platted Units shown on Table 5 of the Series 2018 Report, with assessments levied on Unplatted Parcels on an equal-per-acre basis until platting.

Section 4(b) of Resolution 2018-08 provides that the lien of the Series 2018 Assessments includes all developable acreage within the District, and that the District may, by supplemental resolution adopted at a regularly noticed meeting and without the need for a public hearing, determine added or newly platted land to be benefitted and reallocate the Series 2018 Assessments accordingly. The Series 2018 Report likewise contemplates reallocation: once the Series 2018 Assessments "are fully absorbed by platted units, any remaining platted units and/or lands may be subject to future debt assessments, or the Assessments may be reallocated." This Supplemental Report is prepared pursuant to that authority.

IV. CHANGE IN THE DEVELOPMENT PLAN

Since issuance of the Series 2018 Bonds, the number and product mix of Platted Units bearing the Series 2018 Assessments has changed from the 794-unit plan reflected in Table 5 of the Series 2018 Report, while the Series 2018 debt service assessed per unit has remained unchanged since issuance. The District's Fiscal Year 2026 adopted assessment roll reflects eight hundred forty-two (842) Platted Units, and, upon inclusion of the 73 Phase 3J Lots, nine hundred fifteen (915) Platted Units are proposed for Fiscal Year 2027. Table 1 summarizes the unit count by product type from issuance through the proposed Fiscal Year 2027 allocation.

V. SPECIAL BENEFIT AND APPORTIONMENT FINDINGS

A community development district may levy special assessments under Chapters 170, 190, and 197, *Florida Statutes*, only where the assessed parcels receive a special benefit from the improvements financed, and it must apportion those assessments so that they are fairly and reasonably distributed relative to the special benefit conferred, such that the assessment levied on a parcel does not exceed the special benefit that parcel receives. The Master Report found that the District's CIP confers special benefit on the land uses within the District and allocated CIP costs and Maximum Assessments among product types using EAU factors keyed to lot frontage (a 50' lot as the 1.00 standard).

The Series 2018 Report applied that methodology to the Series 2018 Bonds. As the methodology consultant has noted, the Series 2018 Assessments were not imposed at the raw EAU-derived Maximum Assessment levels; rather, per-unit Series 2018 Assessments were set at target annual installment levels, reduced from the EAU/maximum levels through recognized in-kind infrastructure contributions credited to certain product types. The Series 2018 Report expressly found that, as so allocated, the Series 2018 Assessments "fall within the cost/benefit thresholds, as well as the Maximum Assessment levels, established by the Master Report."

Because the benefit relationships among product types were originally fixed by these per-unit target rates rather than by the unadjusted EAU factors, the reallocation set forth herein uses each product type's existing per-unit Series 2018 debt service rate as the allocation factor. This approach preserves the relative levels of benefit and burden established at issuance and confirmed in the Series 2018 Report, and it keeps every product type's per-unit assessment at or below the levels previously found to reflect special benefit and to fall within the applicable

Maximum Assessment. The reallocation neither increases any per-unit assessment above its issuance level nor imposes an assessment on any parcel exceeding the special benefit it receives.

The Phase 3J Lots are Single Family 40' Platted Units, a product type expressly contemplated by the Assessment Methodology and assigned an EAU factor of 0.80 in the Master Report. These lots are within the District, are served by and derive special benefit from the Series 2018 Project on the same basis as other Single Family 40' units and accordingly are properly included among the Platted Units bearing the Series 2018 Assessments. Based on the foregoing, and on the analysis of the District's methodology consultant, the Phase 3J Lots receive a special benefit from the Series 2018 Project commensurate with the Series 2018 Assessments reallocated to them.

VI. REALLOCATION OF THE SERIES 2018 ASSESSMENTS

Table 2 restates the original allocation of the Series 2018 Assessments among the 794 planned Platted Units, at the target per-unit annual installment levels established at issuance. Table 3 sets forth the reallocation of the Series 2018 Assessments among the 915 currently proposed Platted Units, using each product type's per-unit debt service rate as the allocation factor.

Table 2. Original Series 2018 Assessment Allocation (at Issuance)

Table 3. Reallocated Series 2018 Assessment Allocation (Proposed FY2027 – 915 Units)

Product	Units	Issuance Gross DS / Unit	Alloc. Factor	Total Allocation	Alloc. %	Reallocated Gross Assessments	Reallocated Gross DS / Unit	Change in DS / Unit

Single Family 40'	221	\$979.50	0.91	200.53	23.08%	\$199,925	\$904.64	-\$74.86
Single Family 40' – Ph. 3J	73	\$0.00	0.91	66.24	7.62%	\$66,039	\$904.64	+\$904.64
Single Family 50'	152	\$1,079.50	1.00	152.00	17.49%	\$151,543	\$997.00	-\$82.50
Single Family 60'	170	\$1,179.50	1.09	185.75	21.38%	\$185,190	\$1,089.35	-\$90.15
Single Family 70'	56	\$1,279.50	1.19	66.38	7.64%	\$66,176	\$1,181.71	-\$97.79
Total	915			868.87	100.00 %	\$866,257		

Source: Vesta District Services reallocation analysis (Apr. 13, 2026). Allocation Factor = each product's per-unit issuance debt service rate ÷ the Single Family 50' rate (\$1,079.50 = 1.00). Total Allocation = Units × Allocation Factor. Reallocated Gross Assessments = (Total Allocation ÷ 868.87) × \$866,257. Change in DS / Unit = Reallocated Gross DS/Unit less Issuance Gross DS/Unit.

The \$866,257 aggregate gross annual assessment is derived from net annual debt service of \$814,281 per the current amortization schedule, grossed up by 6% (\$51,975) for estimated St. Johns County collection costs and early-payment discounts, consistent with the 6.0% aggregate rate reflected in the Series 2018 Report. This amount is sufficient to satisfy debt service on the Series 2018 Bonds.

As shown in Table 3, the reallocation spreads the Series 2018 debt service across all 915 current Platted Units, including the Phase 3J Lots. The per-unit reallocated assessment for each previously assessed product type decreases relative to its issuance level (by \$67.22 to \$97.79 per unit), and no per-unit assessment increases. The Phase 3J Lots are brought onto the assessment roll at the Single Family 40' rate of \$904.64 per unit. The reallocation therefore maintains a fair and reasonable allocation of the Series 2018 Assessments consistent with the Assessment Methodology.

VII. ASSIGNMENT, LIEN, AND CONTINUING EFFECT

The Series 2018 Assessments, as reallocated herein, continue to encumber all developable acreage within the District as provided in Resolution 2018-08, and remain a first lien on the assessed parcels coequal with state, county, district, and municipal taxes and superior in dignity to all other liens, until paid. Series 2018 Assessments will continue to be assigned to Platted Units on a first-platted, first-assessed basis, and levied on any remaining Unplatted Parcels on an equal-per-acre basis, in accordance with the Assessment Methodology. Upon adoption of the Reallocation Resolution, the District's assessment roll will be updated to reflect the reallocation set forth in this Supplemental Report, and the reallocation will be recorded in the District's Improvement Lien Book.

To the extent additional lands within the District are platted, re-platted, or otherwise subdivided into Platted Units, or developable lands are added to the District, the Series 2018 Assessments may be further reallocated by supplemental resolution and an updated allocation report consistent with the Assessment Methodology.

VIII. ADDITIONAL STIPULATIONS

Certain financing, development, and engineering data was provided by members of District staff, District Counsel, and/or the Developer. The allocation methodology described herein is based on information provided by those professionals and on the District's prior Assessment Methodology. Vesta District Services makes no representations regarding said information beyond restatement of the factual information necessary for compilation of this Supplemental Report. Vesta District Services does not represent the District as a Municipal Advisor or Securities Broker and does not provide the District with financial advisory services or investment advice.

Re: Landscape Maintenance Service Report

Below is the landscape maintenance report for *Trout Creek CDD Ph 1*.

Weekly Maintenance

The maintenance team continues to execute the weekly landscape maintenance program throughout Phase 1, with routine mowing, edging, trimming, and detailing of amenity and common areas to maintain a clean, manicured, and “show-ready” appearance. August's hot temperatures, high humidity, and frequent afternoon rainfall have resulted in accelerated turf growth and increased seasonal weed activity, requiring additional attention to landscape maintenance practices.

Crews are proactively monitoring and managing invasive grasses and other nuisance weeds while closely observing turf and ornamental plant health. Maintenance practices are adjusted as needed to address heat stress, excess moisture, and storm-related impacts, helping to promote healthy growth, preserve landscape quality, and maintain the overall appearance of the community throughout the peak summer growing season

Irrigation

During the August 2026 system inspection, all irrigation rotor and spray heads were systematically evaluated, adjusted, and replaced where necessary to improve coverage efficiency and ensure proper water distribution throughout the landscape.

The irrigation team continues to perform diagnostics and repairs within the two-wire irrigation system with the goal of restoring full functionality to all Phase 1 common areas. This process is detailed and time-intensive, requiring comprehensive troubleshooting across the entire network to accurately identify communication failures and system interruptions.

At this time, no major mainline breaks have been identified within Phase 1. The primary issues encountered have been degraded or faulty wire splices, malfunctioning solenoids, and decoder failures. These components are critical to system communication and zone activation, and each repair requires precise troubleshooting, isolation, and testing to ensure long-term reliability. Repairs are being completed methodically to restore consistent irrigation coverage. As sections of the system are brought back online, performance is being closely monitored and adjusted as needed to ensure optimal operation.

Re: Landscape Maintenance Service Report

Below is the landscape maintenance report for *Trout Creek CDD Ph 3*.

Weekly Maintenance

The maintenance team continues to execute the weekly landscape maintenance program throughout Phase 3, with routine mowing, edging, trimming, and detailing of common areas to maintain a clean, well-presented, and “show-ready” appearance. August's combination of warm temperatures, high humidity, and seasonal rainfall has accelerated turf growth and triggered a flush of summer weeds throughout the landscape.

To address these conditions, crews are actively monitoring landscaped and turf areas for emerging weed populations and implementing targeted control measures, including manual removal and spot treatments where appropriate. The team is also monitoring turf and ornamental plant health for signs of heat stress, excess moisture, and pest activity, while adjusting maintenance practices as needed to preserve overall landscape quality and appearance throughout the summer season.

Irrigation

The irrigation team completed the monthly system inspection, including nozzle cleaning and adjustments to spray and rotor heads as needed to maintain proper coverage and distribution throughout Phase 3. August's continued heat, humidity, and seasonal rainfall have provided supplemental moisture across the property, allowing the team to closely monitor system performance while minimizing unnecessary water usage.

The irrigation system remains on a reduced schedule, with turf areas receiving one irrigation cycle per week and landscape beds receiving one cycle per week in accordance with current weather conditions and applicable water management guidelines. In addition, the team completed several valve repairs within Phase 3G to address issues associated with ongoing construction activity and ensure reliable system operation. Irrigation schedules and system performance will continue to be monitored and adjusted as needed to support plant health, maintain landscape quality, and promote water conservation.

Trout Creek CDD: Monthly Report

August 2026

Fungus/Pest/Fertilizer: Herbicides and pre-emergent have been applied to all tree rings and landscape beds throughout Trout Creek CDD. We are hand pulling weeds inside plant material and ornamental grasses. Granular fertilizer has been applied to all areas throughout phase 2.

Maintenance: Weekly maintenance on all turf areas throughout phase 2. We are spraying daily to try and stay on top of the weeds. Jasmine in the medians has been trimmed off curbs and shaped. We are going to start trimming the viburnum next week and should have all hedges trimmed and shaped by the end of the month. Tree suckers are removed weekly on oaks and crapes.

Irrigation: The irrigation system is working as it should. We are fixing any issues that arise quickly, so we don't have turf and plant loss.

40 **agenda items)**

Residents, please note that if you are unable to attend the meeting you may send your questions to the District Manager, Howard McGaffney at howard@cddmanagers.com, up until the day before the meeting.

A resident commented on the Sporting Jax proposal regarding the groups plans to build a sporting complex with no plans for a pool.

A resident expressed her opinions regarding the building of another pool and the swim team proposals, which she was for said project but not for allowing swim teams to use the current pool.

A resident noted that she was against allowing outside swim teams to utilize the current pool as it took away the option from residents.

A resident asked about the current contract with the Sharks swim team as well as the specifics. Ms. Tharpe provided clarification on the contract's specifics and noted that the proposals were for residents only.

A resident discussed the specifics of the proposals as presented regarding heating the pool in relation to proposed schedules.

A resident noted the possible additional wear and tear of the pool due to more chemicals needed to be used for year-round swimming.

A resident noted that he was in favor of having the option to swim year-round within the community so that residents did not have to leave the community to do so.

Another resident voiced her opinions in favor of adding a swim team and for year-round swimming.

Another resident noted that he was in favor of a possible swim team contract and noted the possible benefits.

A resident noted that she was not in favor of a swim team contract and noted the issues involved with it.

A resident provided his input on how the community was not fully built out and occupied and was against a swim team utilizing the pool.

A resident asked about a previous swim instructor and staff provided an updated that said instructor had quit coming to the community and why.

Mr. Palli discussed the outstanding issues between his business and the District. Mr. Zwang provided updates on the matter. Discussion ensued.

The meeting moved to the Fifth Order of Business – General Manager's Update, at this time.

FOURTH ORDER OF BUSINESS – Discussion Topics

A. Meeting the Candidates Night

Mr. McGaffney presented the discussion topic. Discussion ensued.

FIFTH ORDER OF BUSINESS – General Manager's Update

A. Exhibit 1: Swim Team Proposal Options

Ms. Tharpe provided a brief overview of the requested revisions. Discussion ensued.

1. Exhibit 1A: Sporting Jax

2. Exhibit 1B: Swim Rise Aquatics

The meeting moved back to the Fourth Order of Business – Discussion Topics, at this time

SIXTH ORDER OF BUSINESS – Supervisors’ Requests

Supervisor Breslin requested a security workshop in September for 2 hours.

Discussion ensued regarding Sunshine laws in relation to social media.

SEVENTH ORDER OF BUSINESS – Audience Comments – New Business/Non-Agenda *(limited to 3 minutes per individual)*

A resident asked for clarification regarding two members of social media group who were running in the upcoming elections.

A resident noted that he had also been advised to not use social media during his term on the Board as a Board member.

A resident expressed his concerns regarding the overcrowding of the pool already without swimming organizations included.

A resident noted that at that current time the pool was not crowded and that she was for looking into adding a swim team contract to the District.

Another resident noted that the lap pool was empty at the time of the workshop, and that the waterslide and lazy river were more frequented, especially by kids.
